÷	🚰 Certificate Import Wizard
	Welcome to the Certificate Import Wizard
	This wizard helps you copy certificates, certificate trust lists, and certificate revocation lists from your disk to a certificate store.
	A certificate, which is issued by a certification authority, is a confirmation of your identity and contains information used to protect data or to establish secure network connections. A certificate store is the system area where certificates are kept.
	Store Location O Current User
	To continue, dick Next.
	Cancel

Ilustracija 3 - Sertifikat instalirajte na lokalnoj mašini i potvrdite klikom na dugme Next, kao na ilustraciji
